

## Amenities

The following amenities are available:

- All private rooms
- Large screen TV in living room
- TV in each resident room
- Refrigerator in each resident room
- Two expansive screened porches
- A completely enclosed courtyard

## Activities

A formal activities program is conducted. Activities include walks, sitters, games, arts, crafts, structured conversation and sharing times. The interests and abilities of each person are taken into account. In addition we have:

- Regular visits by clubs, organizations and individuals for planned activities
- Sing-a-longs
- Outings for meals, cultural events, picnics and other activities.
- Regular celebrations and parties, observing holidays or special events and birthdays.

Persons are invited to call or visit for more information.

## Our Staff

Attendants are on-duty twenty-four hours per day. Required certifications for each attendant include:

- Florida Nurse Aide
- Florida Food Manager
- American Red Cross CPR and 1st Aide.
- Defensive Driving

Each also receives additional training in HIV infection, medication supervision, principles of infection control, personal care, abuse and neglect and reporting of serious incidents.

The administrator of Bayshore is a healthcare professional with additional education and experience in elder care issues and assisted living rules and regulations.

Bayshore Manor also enjoys the services of an Activities Coordinator, a Staff Assistant and a Custodian in addition to Monroe County support staff for many business and operations functions.

Staff are subjected to rigorous background checking by the Florida Department of Law Enforcement.

Bayshore Manor is a program of the Social Services Department of Monroe County, Florida
